

The chart displays the number of open points of interest (POI) for various categories from 2014 to 2025. The x-axis represents the year, and the y-axis represents the number of POIs. A vertical dashed line at 2020 indicates the 'opened 2020' event. The legend identifies the following POI categories:

- POI 11754 (Blue line with circles)
- POI 11754 (Blue line with squares)
- POI 11754 (Blue dotted line)
- POI 70752 (Orange line with circles)
- POI 70752 (Orange line with squares)
- POI 70752 (Orange dotted line)
- POI 70753 (Green line with circles)
- POI 70753 (Green line with squares)
- POI 70753 (Green dotted line)
- POI 70754 (Red line with circles)
- POI 70754 (Red line with squares)
- POI 70754 (Red dotted line)
- POI 70755 (Purple line with circles)
- POI 70755 (Purple line with squares)
- POI 70755 (Purple dotted line)
- POI 70756 (Brown line with circles)
- POI 70756 (Brown line with squares)
- POI 70756 (Brown dotted line)
- POI 70757 (Pink line with circles)
- POI 70757 (Pink line with squares)
- POI 70757 (Pink dotted line)
- POI 70758 (Grey line with circles)
- POI 70758 (Grey line with squares)
- POI 70758 (Grey dotted line)
- POI 70759 (Yellow line with circles)
- POI 70759 (Yellow line with squares)
- POI 70759 (Yellow dotted line)
- POI 70760 (Cyan line with circles)
- POI 70760 (Cyan line with squares)
- POI 70760 (Cyan dotted line)
- POI 70763 (Dark blue line with circles)
- POI 70763 (Dark blue line with squares)
- POI 70763 (Dark blue dotted line)
- opened 2020 (Black dashed line)

The chart shows that POI 11754 (blue line with circles) has a significant increase in the number of open points of interest starting in 2020, reaching a peak in 2024. Other POI categories (70752-70763) show a much lower and more stable number of open points of interest throughout the period.
